—Progressive Rally Saturday Evening—October Postal Deposits \$2,410—Obituary Notes—Important Town Meeting This Evening.

Mrs. John Burns of Webster was a visitor with friends here Saturday.

Charles Franklin of Providence was at his home in Danielson for the week end.

Judge Harry E. Back has been at Baltimore on a business trip.

John C. Burns of Webster has been a recent visitor with friends here.

Members of the Bohemian club are to receive election returns at their rooms tomorrow (Tuesday) evening.

Saloons Close Tonight.
The saloons in Killingly close this (Monday) evening at 11 o'clock for the last time for at least a year, and the thirty are prepared to make the most of their last day of grace, if it may be called.

Important Town Meeting.
A special effort is being made to get many voters out for the special town meeting this (Monday) evening that a general expression of opinion may be secured on fixing the tax rate for the present fiscal year.

Some unexpected delay has been encountered in getting the blackboards for the new schoolhouse at Williamsville, but it is expected that the building will soon be ready for occupancy.

Bull Was the Typewriter's.
That headline about James Kent of Ellenville getting "ten cows" during the past week caused many a laugh in Danielson and vicinity Saturday.

"Cows" was intended for coons. If the line had read "ten bulls" it wouldn't have startled so many readers after what they have heard from the political orators here during the past few days.

To Grant Druggists' Licenses.
On Wednesday of this week County Commissioners E. H. Hall of Windham, L. E. Smith of Putnam and F. C. Davis of Pomfret are to be in the section's rooms here for the purpose of granting licenses to druggists of the town.

This is the last day for "seeing the voters" previous to the balloting in Tuesday's election. In Killingly chief interest centers on the vote for representative in congress and representatives in the state legislature.

POSTAL DEPOSITS \$2,410.

October Depositors Numbered Fourteen—Increase as a Result of the War.

During October, 14 accounts were opened and 11 closed in the Killingly department of the local postoffice. The amount received for deposits was \$2,410, the amount paid out \$1,381. A gain of \$99 accounts is recorded since July, when the total was 168, now increased to 267. The total amount on deposit here Oct. 30 was \$24,309, the total amount on July 1 being \$16,762.

In a small way, as compared to the increase in postal savings departments throughout the country, this gain of \$1,029 shows that a boom in the war in Europe has been to postal savings in this country. The majority of the depositors at the local office are foreigners. They have been in the habit of regularly sending at least a part of their savings to the old home, but this practice has been greatly reduced since the outbreak of the war.

GOT TWO COONS

Killingly Hunting and Fishing Club Leaves Camp in Two Detachments.

About 50 went out Saturday night on the annual hunt of the Killingly Hunting and Fishing club, headquarters being at the club's camp near East Killingly. "King" George Jacques served the big party a steak supper early enough to let the first detachment of hunters, under the leadership of James Kent, get away for the woods by 7:30. Another party of a score went east toward the Rhode Island border.

By midnight two coons had been sent back to camp by the Kent party, this being the total of the number of animals "taken" on the hunt.

The party that went toward Rhode Island had no difficulty in starting a coon, but were unfortunate in having their fog lose the trail as the result of the running quarry making a run up the waters of Mowry brook.

Most of those who went on the hunt traveled to camp in automobiles.

A Progressive, Republican or Hybred

The Republican Candidate for State Senator, JOHN H. BARNES, in his acceptance of the nomination, referred to his record. Therefore, we publish the following which is a Bulletin report of his speech in part at a Progressive meeting held in this city on July 24, 1912.

"PROGRESSIVE ROOSEVELT CLUB"

Organization Effected Here Tuesday Night—Meeting at Buckingham Memorial—Has Attendance of 100 + + +.

Attorney John H. Barnes was then introduced spoke in part as follows:

The condition of affairs in our country today demands drastic measures + + + + +. There are some good and powerful men in the country working for the good of the people regardless of political parties.

William Randolph Hearst a democrat has used his time and money and influence in the interests of the people. He is a man I can respect and admire + + + + +. I endorse the name of Theodore Roosevelt for President. As a Republican it is now intended to vote for the Republican nomination for State election.

But I have pledged on my honor and my beliefs to assist in the reelection of Theodore Roosevelt as President of the United States at Washington three days ago. Ex-Senator Scott testified under oath that in the election of 1894 and 1898 not one dollar was contributed by the trusts to aid in the election of Theodore Roosevelt. If he can be elected twice, without trust money he can be elected a third time."

REPUBLICAN BUT NOT A PROGRESSIVE

week as follows for the purpose of granting licenses: Wednesday at Danielson, Thursday at the town clerk's office in Windham, Friday at the county clerk's office in Putnam. Appointments for Plainfield and Sterling have not yet been made.

County Not Liable.
The county of Windham is absolved from liability to pay compensation on account of the accidental death of Sheriff Preston B. Sibley last January. It is now held by interested attorneys who have reviewed the decision given by Compensation Commissioner J. J. Donohue, M. D., under which the liability is placed on the state of Connecticut.

Scarlet Fever at County Home.
At the county home for children 13 of the little people have developed scarlet fever since the home was quarantined a few weeks ago, but all of the patients are doing well and are now believed to be out of danger. Rigid measures were early taken to prevent the spread of the disease being the cause of the home and these measures prove effective.

Teacher Ill.
On account of the fact that the teacher in that grade, Miss Clara A. Furrill, has developed a case of diphtheria, it was stated by a member of the town school committee Saturday morning, the primary department of the city school Saturday morning, that for sessions this (Monday) morning, it is expected that the grade will be taught by Miss Furrill.

Daughter of Former Governor Gaston.
Sarah Howard Gaston, who died at Pomfret last week, and funeral services for whom are to be held at her Boston home today, was daughter of former Governor Gaston of Massachusetts and a sister of Colonel William A. Gaston, president of the National Shawmut bank of Boston. For 11 years Miss Gaston has made her home in Pomfret during the summer season. She was much interested in this section of the state, as her ancestral home is at South Killingly, where the old Gaston homestead has recently been restored under the supervision of her brother and herself. The body was sent from Pomfret to Boston Saturday, to E. Smith of the city being the funeral director in charge. Burial is to be in Forest Hills cemetery.
